Doshas Detected

Manglik Dosha

How it Occurs:

Manglik Dosha, also called Kuja Dosha or Angaraka Dosha, arises when the planet Mars is placed in the 1st, 4th, 7th, 8th, or 12th house of the horoscope from Lagna, Moon, or Venus. These houses relate to marriage and relationships. Since Mars is a fiery planet, it can create conflicts and emotional imbalance.

Problems:

Delay in marriage, marital conflicts, ego clashes, separations, health issues, accidents, and financial instability.

Remedies:

- Perform Mangal Shanti Puja
- Chant Hanuman Chalisa
- Observe fast on Tuesdays
- Donate red items
- Visit Navagraha temples

Types:

- Kuja Dosha
- Angaraka Dosha
- Chandra Manglik
- Shukra Manglik

Doshas Detected

Shani Dosha

How it Occurs:

Shani Dosha occurs due to the malefic influence of Saturn in the horoscope. Saturn represents discipline, karma, delays, and hardships. When negatively placed, it can bring obstacles, struggles, and slow progress in life.

Problems:

Career delays, financial struggles, health issues, mental stress, repeated failures, obstacles in marriage, and lack of stability in life.

Remedies:

- Perform Shani Shanti Puja
- Chant 'Om Sham Shanicharaya Namah'
- Observe fasts on Saturdays
- Donate black sesame seeds, oil, or clothes
- Worship Lord Hanuman and Lord Shani

Types:

- Shani Dosha
- Sade Sati
- Dhaiya (Kantaka Shani)

Doshas Detected

Chandra Mangal Dosha

How it Occurs:

Chandra Mangal Dosha occurs due to the conjunction or adverse placement of Moon (Chandra) and Mars (Mangal) in the horoscope. This combination creates emotional instability and financial turbulence because Moon represents mind and Mars represents aggression and action.

Problems:

Financial instability, emotional stress, anger issues, impulsive decisions, family disputes, marital conflicts, and mental restlessness.

Remedies:

- Perform Chandra Mangal Shanti Puja
- Chant Chandra Mangal Mantra daily
- Observe fasts on Mondays and Tuesdays
- Donate food and clothes to needy people
- Worship Lord Shiva regularly

Types:

- Chandra Mangal Dosha

Doshas Detected

Nadi Dosha

How it Occurs:

Nadi Dosha occurs when both partners have the same Nadi in horoscope matching. In Vedic astrology, this is considered highly inauspicious because it represents imbalance in life energy flow between partners.

Problems:

Delay in marriage, difficulty in conceiving children, health issues in family, frequent misunderstandings, emotional distance, marital conflicts, and risk of separation.

Remedies:

- Perform Nadi Dosha Shanti Puja
- Conduct Tarpan and Pind Daan rituals
- Chant Maha Mrityunjaya Mantra
- Donate food and clothes to Brahmins
- Match other horoscope gunas strongly to reduce impact

Types:

- Adi Nadi
- Madhya Nadi
- Antya Nadi

Lagna Details

Ascendant	220.245°
Sign	Scorpio
Nakshatra	Anuradha 3

What is Lagna?

Lagna (Ascendant) is the zodiac sign rising on the eastern horizon at the exact time of birth. It represents the physical body, personality, natural tendencies, and overall life direction of a person.

How is Lagna Calculated?

Lagna is calculated based on the exact birth time, geographical longitude, latitude, and Earth's rotation. Even a difference of a few minutes can change the Lagna.

Why is Lagna Important?

Lagna is extremely important in Vedic astrology because it forms the first house of the horoscope. It determines health, appearance, behavior, mindset, and how the world perceives you.

Scorpio Lagna

Scorpio Lagna (Vrischika) individuals are intense, determined, and transformative. They possess strong emotional depth.
